the modern trend

WITH the unerring good taste so characteristic of Wallace Silversmiths, smartness without eccentricity has been achieved in the "Rhythm" pattern.

Its simple beauty will admirably express the good taste of the hostess who wishes to add that smart, modern note to her table. It possesses an unmistakable rhythm, an essential harmony and imperishable beauty that will endure.

Sally Parks

RHYTHM *in Sterling*

Mrs. F. Lumen

On the reverse side are shown fifteen different styles of engraving that are particularly well suited to the "*Rhythm*".

These are all numbered for convenient identification, so that sheet need not be cut up.
